

LIONS CENTENNIAL PROJECT IN PROGRESS

If you have not been to the projects of the Lions Club Centennial Project recently, then -- "Give a Lion", next time you are near by. It will do your heart good to see this community enterprise in progress. Lions members are

finding new feeling of fellowship in getting out together to do a bit of outdoor work and incidentally add a little to the betterment of our town.

Last Saturday morning, men, women, children, construction fore-

man, farmer, doctor, school principal, salesman and bank manager dropped their usual attire, put on outdoor working clothes and went hard at it -- at least they thought it was hard at it. Anyway results are showing and there is more

to come. The Lions Park is quickly becoming enclosed by brightly painted posts and soon should be a colourful and the most popular spot of this town.

Already a church group has asked for the use of the park for its annual picnic, and of course the answer was yes, they were welcome to the park's use. The same applies to any group or family that might wish to use the park's facilities. In the meantime all are invited to come out any Saturday morning and see the Lions at work. Better still, put on your work togs and lend a hand. You can never tell you might even be invited to become a Lion.

Look for an interesting announcement in a future issue of the Gazette.

fooling around ...

Not being convinced that the St. Albert Lions are the "hard-workers" they pretend to be, we took this picture during their work party last Saturday. It proves undeniably that the kids Jimmy,

Richard and Nancy are the real workers as obviously the Lions (from left to right) Yvon Bouchard, Jerry LeBlanc, Milton Burton, Dr. Win. Gula and Roy Gilley are just fooling around.

MAYOR'S COLUMN

JUNE 1ST, 1966.

Centennialism in St. Albert is really starting to progress and the faith I had in our citizens when the challenge was issued to St. Paul is being completely justified.

Past Chairman Don McEachern did such a fine job in selecting his original committee that little disruption was noticed in his departure to his new position as Mayor Jew. The community is indebted to Don for his capable effort in getting us started. With the appointment of Don right as the new chairman and Roy Gilley's appointment to fill the vacancy, our committee is complete and poised for action.

Today I would like to write about one of the most exciting Centennial possibilities put forward to date.

St. Albert is fortunate in having in our midst numerous professional people in the construction industry. Last week Harry Wilmer, 50 Geneva Ave., the brilliant Chief Engineer of a leading construction firm (Angus, Neilsen Engineering Ltd.), proposed the idea to meet the possibility of a St. Albert

Architects and Engineers pooling their resources and talents and preparing complete drawings and specifications for a RECREATION COMPLEX, and proposing these to the Town as their CENTENNIAL PROJECT. It is my understanding that the Codes of Ethics of these two professional groups will not prohibit them from contributing their services. Harry must be congratulated for his idea and I am sure I voice the opinion of all citizens in St. Albert by wishing him every success in this venture. The value of this project in dollars alone would be between 25 and 50 thousand.

To save Harry Wilmer the time of contacting all Architects and Engineers who are interested in Centennialism and this project you might telephone him at 599-1507. Should the idea become a reality I would be willing to set up a Committee of Council, which would likely include those persons who have already done a considerable amount of work toward a complex to work with the Design Group.

None of this should be interpreted as meaning the end to my recent recommendation to Council to provide recreation facilities as soon as possible. Our aim should always be a Major Recreation Complex situated on approximately forty acres of land. This Centennial Design Scheme should be accepted as one more giant step toward our ultimate goal. The design may well take up to one year for completion, and by that time the second step, that of land acquisition, should be accomplished. I am attempting to formulate a plan whereby our Town could have the recently proposed pool, arena, and tennis courts which will be built immediately, I hope, and paid for by debenture.

5 ACRES HIGH SCHOOL SITE OFFERED TO TOWN

ST. ALBERT PUBLIC SCHOOL BOARD MEETING May 30, 1968, SUPPLEMENTARY REQUESTION

The Board will request the Dept. of Education to recommend that the 1968 supplementary requisition on the Town of St. Albert be \$25,100.00.

STAFF APPOINTMENT:

The Board decided to offer Mr. G. Kambetta the position of Assistant Principal of the new St. Albert High School effective Sept. 1st, 1968.

COURSE IN RANFP:

Mr. Maloney and Mr. McDowell will attend the Short Course in RanFP.

BORROWING AUTHORITY:

The District will borrow \$45,000.00 from the Bank of Mon-

triel to finance current operational expenditures.

STAFF RESIGNATIONS:

Letters of resignation were received from Mr. S. Dalsell, Mrs. H. Alain and Sister M.M.Cole. The Board accepted these resignations.

RECREATION COMPLEX:

5 ACRES HIGH SCHOOL SITE OFFERED TO THE TOWN OF ST. ALBERT:

The following resolution was passed by the Board:

WHEREAS the Board realizes the need for a Recreation Complex in St. Albert and endorses the plan to locate such facilities in a central area totally owned by the Town of St. Albert such that both School Districts and the Pub-

lic can share these facilities according to the joint use agreement;

WHEREAS it appears that the lack of clear title to a building site in the proposed major recreational area may cause the Town to split the required recreational facilities

and it is fact that Council has established Committees to investigate the location of said facilities;

WHEREAS the plan for the new St. Albert High School has allocated a site for a swimming pool; THEREFORE be it resolved that

the Board offer the Town of St. Albert up to five acres of the twenty acre high school site for the purpose of constructing a swimming pool and any other recreational facilities in exchange for an equal amount of Town of St. Albert owned land in Sturgeon Heights.

Sex Education Course For High School Students?

The St. Albert Prot-Sep. School Board decided last week to grant permission to the Ministerial Association to distribute registration forms for a proposed sex education course, to be held in the fall of 1968. The Board also approved the use of district facilities for this course at district cost.

ANGLICAN CHURCH

BUILDING DRIVE STARTS

Sunday June 5th, is the date set for the beginning of a four week campaign in which we shall seek the active support of every Anglican family for the erection of a church. The campaign will be carried out under the experienced direction of a campaign committee from our church's headquarters in Toronto. Whilst the details are not yet known it is understood that a special parish dinner will be held on Friday June 24th, at which the Bishop is expected to be present. The success of this type of campaign in many other parishes suggests that at the end of June we shall be in a position to finalise our plans for the actual building project.

THE TOWN OF ST. ALBERT

Notice of Intention

TAKE NOTICE THAT the Town of St. Albert intends to construct the following local improvements and intends to assess the abutting property owners for the cost of the work:

Construction of Oil Gravel Roads

Location:	From:	To:	Width
St. Anne Street	86' W of Piron St.	Edmonton Street	24'
St. Michael St.	86' W of Piron St.	320' W of Edmonton St.	24'
St. Thomas St.	Edmonton Street	Grandin Road	24'
Edmonton Street	St. Anne Street	St. Thomas Street	24'
Grandin Road	St. Thomas Street	Sir Winston Churchill	24'
		(over)	24'

The estimated cost of the work is four thousand, two hundred dollars (\$4,200.00), of which eight hundred and forty-nine dollars (\$849.00) is to be borne by the Town at large. The estimated annual rate per foot frontage to be assessed against the abutting property is 47 cents to be paid for three (3) consecutive years based on debenture interest rate of six per cent (6%).

Property owners abutting the above works, who wish to petition against the undertaking of the said works, may do so on or before the 22nd day of June, 1966.

Introducing Miss Judy Maher

St. Albert School of Dancing are very fortunate to be adding to the staff,
a new Balon Teacher this year. Miss Judy Maher is considered one of the
best balon teachers in Canada! In her first four years of twirling she won 81
trophies and 79 medals. Once Junior Alberta Champion, twice Alberta Senior
Champion, twice Senior Balon, Champion, twice Miss Majorette of Alberta,
twice Edmonton City Champion, once Western Canadian Champion, three times
Canadian Open Winner.

She is a registered teacher and judge with the National Balon Twirling
Association in St. Paul, Minnesota.

Judy has been teaching in the city for the past four years, and her students
have won many medals and trophies. In keeping with St. Albert School of
Dancing's high standard of teaching, balon students will now receive the best
training possible.

Editorial ...

Petition a serious matter !

Once again Council was faced, during their last meeting, with the recent petition signed by six hundred tax payers in regards to the building of a new library. Councillor Baker wondered once again who the instigator was and that perhaps an advertisement in the local paper would bring some light to this matter. Over the last ten years, since we as newcomers entered this lovely Town, St. Albert has seen many kinds of petitions. We often have wondered and even complained that our tax payers favour this kind of democracy so favourably. And we often have wondered those people who had the courage to stand up for their principles which they thought right for the Town. We never condemned petitioners when we favour their petition, we only are mad when others used this medium for a purpose we couldn't or wouldn't agree with. So is our honest nature and so will it be until the end of time!

But a petition is a serious matter as it is the expression of the citizens who are worried about certain things going on in their Town. Of course, these citizens can be wrong in their thoughts as Council can be wrong, but at least we have to respect them that they do let their thoughts or complaints under the table, but bring them out in a proper way in the open fresh air.

There is a real difference between a petition and a protest. A petition is a "demanding" as a very real and serious suggestion. The petition against the building of a new library was "suggested" to Council that the new library building should be an addition to the existing library building. It was based on the logic thought that the library funds were not used as a big help for the town and surrounding area. The suggestion was a serious thought in our Town and was therefore presented to Council in the form of a petition in the most correct manner.

From Our Readers

Dear Sir,
May I offer a suggestion to those people who have approached Council about the noise of the ice-cream vendor's music. This one even has the garbage debate beat! Why don't we simply ship the machine directly to the noise of children's laughter will be the best compromise and the ice-cream vendor won't be bothered? That way we could see to it that also quiet world of peace (and safety), my friends, cars and motor-cycles?

ST. ALBERT AIR CADETS IN PROVINCIAL VOLLEYBALL FINALS

St. Albert Air Cadets, representing the St. Albert Squadron, competed in the Provincial Volleyball Finals at the University of Alberta, Edmonton, on May 28 and 29. The team, consisting of Jeff Jenkins, Brian Webb, and others, finished in second place.

The St. Albert Air Cadets, representing the St. Albert Squadron, competed in the Provincial Volleyball Finals at the University of Alberta, Edmonton, on May 28 and 29. The team, consisting of Jeff Jenkins, Brian Webb, and others, finished in second place.

The St. Albert Air Cadets, representing the St. Albert Squadron, competed in the Provincial Volleyball Finals at the University of Alberta, Edmonton, on May 28 and 29. The team, consisting of Jeff Jenkins, Brian Webb, and others, finished in second place.

Accord and St. Albert met to decide local representatives. Don Accord won the drill competition. Pat Kane and Peter Lee took first and second in the high jump. Pat Kane showed his heels in the rest of the field to win the 100 yard dash - speedsters Gary Wadsworth, Emile Liden, Jeff Jenkins and Arnold Knapik were barely beaten to the wire in the 200 yard dash. This pulled up a nice lead for St. Albert on the track and gymnastics event only to be tossed out by Don Accord. Lack of gymnastics and equipment hampered St. Albert in preparing for the gymnastics event but under the expert instruction of Don Accord the cadets gave a very presentable show.

When it came to marksmanship the St. Albert sharpshooters won by a considerable margin.

This entitled the St. Albert cadets to move into the final on May 29th. The rifle team did well, beating 5 Edmonton squadrons but were edged out by Drayton Valley and Ponoka.

The Provincial Finalists played at Redmont on Saturday June 4th. If the St. Albert team does the same form it did on the two previous days it has a very good chance of winning the trophy. CREDIT ANNUAL INSPECTION THURSDAY.

The culmination of 533 Squadron Royal Canadian Air Cadets, St. Albert, training year will take place with their annual inspection at 7:30 p.m. Thursday June 3rd.

The inspection will take place in front of the Calgary Power office on Highway 2. Wing Commander Wallace, Chief Technical Officer, Canadian Forces Base, Nanaimo, will be the reviewing officer, accompanied by Mr. Gordon Priest of the Air Cadet League of Canada. Following the inspection trophies and crests will be presented to leading cadets of the squadron and then the St. Albert Lions Club will treat the squadron to a bar-b-que at Lions Park.

The public are cordially invited to attend.

RECREATION

Penny Carnival on Playgrounds

A penny carnival on Lions and Mission Playgrounds will be held Friday, July 29, 1966. This is one of the most colourful events on the playground, and is something which is thoroughly enjoyed by children as well as adults. It consists of children making and selling up booths such as fortune telling, spook tents, fish ponds, kite-making stands, games, etc. A drive for old toys, cosmetics, records, needles, cakes, etc., will be carried out by the children. All profits will go to special events on the playgrounds. NO PARENTS - HAVE YOUR PRIZES AND SUPPORT THIS IMPORTANT EVENT.

Sturgeon Playgrounds Open Evenings

The attendance on the Leo Nickerson Playground has been very high during the afternoon sessions. The playground will also be open from 6:00 - 8:00 p.m. every night Monday thru Friday. Voluntary help is needed. If you can spare a few hours please contact the playground leader, Susan Desplandis, at Leo Nickerson school grounds.

Mission Park Playgrounds

A penny carnival will be held Friday, July 29th, at 2:00 p.m. A general meeting will be held Tuesday, July 26, at 8:00 p.m. to make plans for the Carnival.
A Teen Wiener Roast and hootenanny will be held Friday, July 29, at 8:00 p.m.

Visit to Edmonton's Senior Citizens Recreation Center

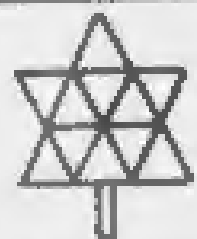

The St. Albert Senior Citizens are invited to an old fashion dance at the Edmonton Senior Citizens Recreation Centre located at 1113 - 113 Street, Edmonton, Alberta. This beautiful new recreation centre was donated by the Edmonton Lions Club to the senior citizens in Edmonton. Mr. Elmer Harrison, the director, will show the St. Albert visitors the premises, which consist of a beautiful lounge with library, card room, arts & crafts room, a special lapidary workshop, cafeteria and dining room. Outside the building is a lovely fountain.

A school bus will pick up the St. Albert Senior Citizens at all regular bus stops in Town, starting at the Youville Home west entrance at 8:30 p.m. on Friday, July 29th. No charge is being made, and every senior citizen is welcome. For further information call the Recreation Office at 599-6801.

Goes to National Coaching Clinic

Hercules Track & Field Team Goes to Trail (B.C.)

EDMONTON TRACK AND FIELD COACHES - 1966.

St. Ted Kowalczyk and his Hercules Track & Field team will be attending a National Coaching Clinic in Trail, B.C. The team will be coached by the experienced coaches under the direction of Geoffrey Jones.

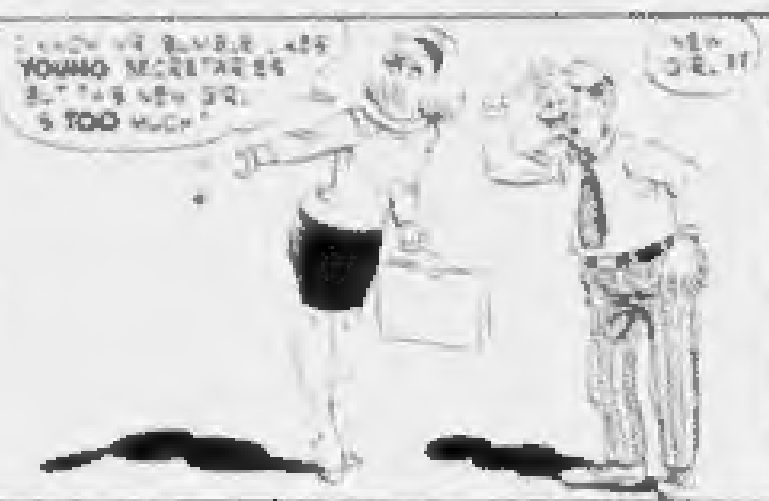

Through the assistance of the City and Amateur Sports Grant the Legion offers a new course in coaching under the direction of Geoffrey Jones. This year the Legion conducted an open course at Guelph, Ontario. All candidates to the highly intensive clinic will take a five-day course in practical

coaching. The second half of the 11 day program involved five days of advanced work. To date, with the assistance of National Health & Welfare Grants, The Royal Canadian Legion has staged five National Clinics for Track & Field Coaches at Guelph. Upon the return of the Hercules team from Guelph, the team will leave on Sep. 2nd, and travel to the interprovincial Track & Field meet held this year in Sep. 2nd, at Trail B.C.

Because of the enthusiasm which was shown this winter, by the boys and girls, in the Track & Field program, necessity has arisen to add to the coaching staff. Anyone interested in coaching throwing or jumping events please phone 599-7900.

USE OF TOWN PREMISES, FACILITIES OR EQUIPMENT

CONDITIONS FOR PRIVATE ORGANIZATIONAL USE OF TOWN PREMISES, FACILITIES OR EQUIPMENT

The Agreement provides for the use or rental of Town controlled premises, facilities and/or equipment, whether the said premises, facilities and/or equipment are owned by the Town or are controlled by the Town under any Joint Use or other arrangement with the owners.

Should the Lessee's use of the premises, facilities and/or equipment result in damage to the said property, the Organization agrees to report the matter to the Secretary-Treasurer of the Town of St. Albert immediately.

The Lessee agrees to reimburse the Town of St. Albert for any and all damage to the said property, which damage may be the direct or indirect result of the Lessee's use of the property.

School District owned property is subject to the School District's priority and use of such premises, facilities and/or equipment if covered by an agreement is subject to cancellation in favour of School programmes. If cancellation for this reason should be required, the Town of St. Albert shall endeavour to give an early notice of cancellation as possible.

The use of all or any premises, facilities and/or equipment is subject to cancellation in favour of

Town of St. Albert supervised events, but with prior notice of seven (7) days to be given by the Town of St. Albert.

The Lessee shall indemnify and

save harmless the Town (or a School District, as the case may be) from all actions, suits, claims or demands arising out of or related to personal injury or death

to persons, or damage to property of others, resulting from the use of any of the said property by the Organization. For the purposes hereof, the Organization shall

carry such liability insurance as the Town may deem adequate, and, if required, shall deposit a copy of the policy of liability insurance with the Town.

St. Albert 1966 Vacation Church School was a Success

For the past five days, students from St. Albert United Church, St. Matthew's Anglican Church and Riverside Presbyterian Church, have been meeting together for Vacation Church School.

The pre-arrangers have been learning about the church from Mrs. French and Mrs. Rasmussen. They filled their week with stories, games, finger painting, a nature hike and making "A Friendly Church Book". Miss T. Alister and Miss D. Thomson assisted in this department.

Mrs. Olson, Mrs. Nelson and Mrs. Johnson made the theme "The Church is for All" in Kindergarten. In stories, songs, dramatization, art projects, beads and special visits, Mrs. Johnson, Mrs. Nelson and Mrs. Olson provided excellent programs.

Mrs. Wilson and Mrs. Wether made primary children aware of their place in the Christian Church by a visit to the United Church sanctuary and a field trip to the site of the new Lutheran Church. Miss D. Thomson assisted in this department.

The highlight for the Junior department was a visit to the Roman Catholic Church and an interview with Father LaFrance.

On Thursday Mrs. Ralph the Junior department leader and her pupils making equipment for the Kindergarten department and doing leather craft with Mrs. Arundel.

The boys and girls extend their thanks to the ladies from the three churches who provided them daily with food and supplies. Thank you to the kind neighbors who looked after our teachers' children. Special thanks to their three guests.

The Rev. L. Martin minister of the United Church, Constable Tople of the R.C.M.P. who visited them during the week.

The School closed on Friday morning with Open House for the parents and closing worship led by Miss Karen Chittick, student deaconess of the Presbyterian Church assisted by Mrs. Arundel at the organ.

The staff and students wish to express their thanks to Rev. Martin, Rev. Jarvis and Rev. Hawkins for their organizational efforts to the 1966 Co-operative Vacation Church School programme.

We would like to give a special thanks to Miss K. Chittick, deaconess of the St. Albert Pres. Church, for the very fine leadership she has given to the organization and teaching of the school, and for her spiritual inspiration during the past five days.

DEAR DORIS advice from Doris Clark

To Save A Son

DEAR DORIS - I have a son 13. He used to do well in school but now he acts apart of the time as if he has the mind of a five-year-old.

My husband seems to hate this son, and makes fun of him for stammering. Upon the slightest provocation he hits him about the head with anything he gets his hands on. Lately the boy has been taking spells of things going black before his eyes and his head hurting.

If the boy deserved punishment and he did it in a peaceful way, I would not interfere, but I cannot stand by and let him hit him. I am afraid to go to the police, that would bring about a big court scene. I love my son and it would break my heart to have him punished away from me because of something he is doing.

My husband has a weekly un-derstanding way of getting people on his side. He is what you call "a public man" and a home do-er.

Caught

DEAR CAUGHT - Just a week is terrifying, but you are the one who must summon enough courage to do what must be done for the sake of your children. The damage to your 15 year old may already be permanent.

The lives which present old don't do not require that they be snatched from their mother's but they do require a court to rule against physical and mental abuse from a father.

The police and the child care authority will work together to help you. Act now.

DEAR DORIS - There is a very good looking boy working here. Every time I see this boy I start to shake and my stomach gets all butterflies. I would very much like to meet him. I have been told he does not like girls, but will talk to them if they are with his two friends.

Boy chasing is not one of my habits and I think it degrades the way some of the girls around here do. How can I possibly meet this boy, but not meet forward?

Sky But Hospital

DEAR DORIS - Are you thinking you can beat the average and make him like you? All I can suggest is a little disgraceful swimming with the two friends. Unless you're sure, a little time the deep the murky water.

If the authorities do not come for you, they may help you swim with your brother's mother, who also recognizes what they want and go after it. Happy swimming.

DEAR DORIS - My wife and I have a daughter being married soon. The groom is from England and his people will not be able to attend.

For this reason the young couple want to appoint a proxy here to act as proxy for them. Since the boy tells me there are some people that his parents have I can't see the about it.

I have thought that I am quite a number of their business but this one needs other assistance to help.

Doubtful

DEAR DORIS - I can't see it either. The only way off that and performed by the groom's parents is that of standing in the wedding line. They are there to meet them and friends. No one can do that is proxy.

If the groom is working that he wants the moral support of a certain older couple, he can have it. They could be invited to help serve and other duties around.

His official moral and physical support - on this day of high moments and tensions - is his best man.

New Stamp

COMMONWEALTH PARLIAMENTARY CONFERENCE COMMEMORATIVE STAMP

A five-cent postage stamp will be issued on the 31st September, 1966, to the Canada Post Office to mark the opening in Ottawa of the 12th Commonwealth Parliamentary Association Conference. General Jean-Pierre Gaudet announced today.

The stamp will be purple in color, of small size and horizontal in format. It was designed by Gillespie of Winnipeg Limited. It features in the overall design an abstract view of the historic parliamentary library in Ottawa to symbolize the working of parliamentary government.

Representative Members of Parliament from throughout the Commonwealth will meet in Canada from the 28th September to the 30th October for discussions of mutual interests. The aim of the organization is the promotion of understanding among Members of Parliament united in a common interest and respect for the rule of law, rights of the individual, and the ideals of parliamentary democracy.

The Association was founded in London in 1941 during the Coronation of George VI.

Engraving for the new stamp has been performed by the Canadian Bank Note Company in Ottawa who will print the full issue of 25,000,000.

Centennial Breakfast, Sponsored By St. Albert and St. Paul, A Great Success

By Robert Russell, CHAMBERS.

St. Albert and St. Paul hosted a breakfast Tuesday morning at the Coronet Hotel for the Alberta Chamber of Commerce Annual Convention. Centennial activities and reports were featured during the breakfast with the friendly competition between Mayors Fowler and Van Brahm as the highlight.

Mrs. Mona Sutherland gave an excellent report, outlining the incorporation of the "My Fair Lady Theme" into the Centennial Program of St. Albert. Projects Chairman Chuck Tennant treated 350 Chamber members from across Alberta to a piece of St. Albert's Centennial Cake and Centennial Chairman Don Hunt spoke of the bridge project and how the St. Albert Committee had done in trying to overcome the wall of St. Paul.

St. Albert Chamber President Don Horne headed a delegation

to the breakfast. Vince Mackinnon, Yvonne Southard, and Bob Russell represented the Chambers.

Don Hunt named Centennial Advisory Committee Chairman — Mayor Dick Fowler announced the appointment early this week of Don Hunt as Centennial Committee Chairman to replace Don MacEachern who has been promoted to store manager at Simpson's in Moose Jaw. Gordon Curtis will take over Finance and Ron Gilles will assume the responsibilities of Entertainment Chairman. Hunt said a terrific job awaiting the Centennial Committee during the St. Paul trip and the Chamber was most pleased to learn he had accepted the position.

The Centennial Committee will sponsor a booth at the Expo to take advantage of promoting Centennial during the two-day affair. It will be staffed by Centennial volunteers who will sell Centennial tokens, flags, balloons and handout material.

John Fisher Speaks at Auditorium

by Neena Sibbe.

The voice was hoarse, but the message came through loud and clear when JOHN FISHER CANADA'S Centennial Commissioner, spoke at the Jubilee Auditorium at a public meeting of the Edmonton Civic Centennial Committee last Thursday evening. Mr. Fisher urged all citizens to be Canadians first and be proud of it. "Some Canadians are more English than the Queen herself," he said. Edmonton's houses and large downtown buildings received a vocal blast from Mr. Fisher. "Everything is grey, it looks just awful," he said. He recommended more colour be used on the exterior of buildings and suggested "berry — blue" or "that robin something or other." Commenting on the lovely North Saskatchewan River Valley, Mr. Fisher described how it could, and should look. He spoke of the beautiful bridges of Budapest and other European cities, and complimented the city of Saskatoon for its river valley beautification.

Mr. Don Hunt, chairman of the St. Albert Centennial Committee, presented Mr. Fisher with a sample of our all-Canadian Centennial Cake. Mr. Fisher, who is fully bilingual, replied in French.

A standing ovation was given to Mr. Fisher by the audience, who, it is hoped, carried some of this dynamic speaker's enthusiasm home with them.

Sorrel Crescent Goes Forward!

On Wed. May 18th, Sorrel Crescent residents held their second Centennial meeting. There was an excellent turn-out and I believe it is indicative of the importance of Centennial that Mayor Fowler took precious time out of his busy itinerary to speak at this meeting. He expressed his sincere congratulations and appreciation to this group of ordinary citizens for playing their part in Canada's Celebration.

Enthusiasm ran high, and a unanimous decision was made for all homes to display a Sorrel home emblem and later on a small Centennial flag will fly over each doorway.

Mr. Al Cairns offered to supply a truck at different intervals for an extra Dump-Detail, in an effort to help his neighbours in their clean-up campaign.

Mrs. John Jensen surprised the meeting with a delicious cake which she had baked in a Centennial emblem.

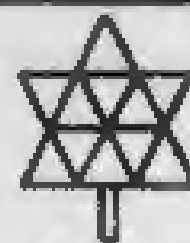

Mr. Tom Lamb proposed that Sorrel Crescent erect a special sign and that the Centennial Committee will prohibit its use by any other Crescent or Street until these said Streets meet Sorrel Crescent Centennial standards.

Hopes are high for the undertaking of two other larger projects. Investigations are being made into the feasibility of these proposals and a report will be made at the next meeting.

A vote of appreciation was to Mr. and Mrs. Don Hunt who have graciously offered their home for all their Centennial meetings.

Residents will be notified of the date for the next meeting.

Mona Sutherland.
